No Luck Booking a Fishing Charter?
Check out these top land fishing spots in town:

- Mission River Bridge:** This is a fantastic spot for night fishing! You can fish from the platform under the bridge, where the action really heats up after dark.
- Aldoom Bridge:** Just a short drive from Mission River Bridge, this smaller one-lane bridge offers similar fishing opportunities. It's a great spot for shore fishing, so you can enjoy the serene atmosphere while casting your line but **always be aware of the local croc!**
- Evans Landing:** Try your luck at the fuel jetty for some excellent catches. *no fishing allowed while jetty is in use*
- Rocky Point Boat Ramp:** Ideal for shore and beach fishing, this spot offers stunning views and plenty of opportunities.

For the best tips on what tackle to use at each location, check out Tackle World!
Be sure to always be croc safe when fishing close to water.
